WRITING

This story ^{is} about ^{one} adventure. My dad sell our house, 'cos people in suits wanted to buy our territory, a nice place nearby the coast. And at this moment he had no choice, it was an awful situation for our family and my friends. But one day, me and my friends met again to say goodbye. I thought it was the last day I've ever seen them. In other room, we find a really strange map. It was a treasure map...

My elder brother thought that it's stupid, but, I knew... ~~It was~~ that it was a treasure map! We were curious ~~the~~ kid's and this is the reason why we start our adventure. And if we then I said:

- If we will find this treasure's, we can buy this territory!

- Do you really think it's true? - ask me my friend, Jake.

- Well, we can try it, it's better than nothing. And then our adventure is begin. Thanks to the map, we find this place, it was an old cave, everything in a web, strange sounds and noises. The atmosphere was scary actually.

My another friend - Chuck - find a button and then the floor is just gone! Later we could die 'cgs of traps, but we still alive. We even find some gold coins and it was a real gold! Something like pirates treasure. It was the happiest day in my life.
